**EDELRID** 

**Dear Edelrid Customers,**

Innovation, Sustainability, and Made in Germany are our core principles for developing new products.

With this in mind, we would like to present you our newest developments at the A+A in Düsseldorf from October 17<sup>th</sup> – 20<sup>th</sup>, 2017.

- Flex Harness Series: Innovative – lightweight and efficient for a diverse field of application
- Talon: The spectacular, modern, and lightweight tree climber
- Low Stretch Static Ropes according to EN1891A for energy efficient work on ropes and outstanding handling
- As a specialist, we developed a new innovative sewn termination for you
- With the creation of an innovative PPE App, we have improved our service for administration, examination, and overview of your PPE products.  
This will be an asset for all professional users and administrators of PPE products.

**Curious?** We would love to invite you to experience our new innovations at this year's A+A in Hall 6/A24

We are looking forward to your visit

Your EDELRID Team
